

To Whom It May Concern,

It is truly my pleasure to recommend Lisa Proctor.

Lisa has been a part of our team since July 2024, and from the very beginning, she has been an absolute dream to work with and an incredible asset to our Iron Mountain salon. She is the kind of employee and teammate that every leader hopes to have: dependable, hardworking, caring, and genuinely committed to doing her best every day.

During her time with us, Lisa consistently maintained great performance numbers while also being someone her team could count on. She has a wonderful ability to connect with guests, build relationships, and contribute to a positive environment within the salon. Her value to us has gone far beyond numbers, though. Lisa brought kindness, consistency, professionalism, and heart to her work, and those qualities are not easily replaced.

On a personal level, I am genuinely sad that we are losing her. Lisa has been such a wonderful part of our team, and it is difficult to say goodbye to someone who has made such a positive impact. At the same time, I am incredibly happy for her as she moves forward into the next chapter of her life. She deserves every opportunity that comes her way.

Any organization would be fortunate to have Lisa on its team. I recommend her wholeheartedly and without hesitation. I have no doubt that she will bring the same dedication, warmth, and work ethic to whatever she chooses to do next that she has given to us.

Lisa, thank you for everything you have given our team over the past two years. You will be sincerely missed, and I am so grateful that we had the opportunity to have you as part of our Iron Mountain family. I wish you nothing but happiness, success, and wonderful things in the future.

With the highest recommendation and warmest wishes,

Jack Burton

Head of Operations
